Sendung vom 22.01.2014

► [Hören](#)

Man mag der Moderatorin einen gewissen Hang zur Nostalgie vorwerfen. Tatsache ist jedenfalls, dass sich die meisten Künstlerinnen und Künstler dieser Sendung auf einen Sound spezialisiert haben, der in vergangene Jahrzehnte gehört.

Also, alles nur retro? Alles Golden Glades! Mit im Programm: Neues (aber vertraut klingendes) von Real Estate, Secret Colours & Math and Physics Club.
